

The County of Hawaii - Office of Housing and Community Development will be holding informational meetings for the **Family Self-Sufficiency (FSS) Program and Homeownership Option Program (HOP).**

The FSS program is a voluntary, employment based program which helps Section 8 families obtain the skills they need to achieve financial independence. Support is offered to participating families through local agencies, case management, education, job training, newsletters, workshops, support meetings and other appropriate services.

A key benefit is that an escrow savings account may be established for the family.

The HOP allows first time homeowners to use their Section 8 rental subsidy to meet their monthly homeownership expenses. Participants must meet certain eligibility requirements.

You must call 959-7476 (Glen Shigehara) to reserve a space.
If there is insufficient participation, times may be cancelled or combined.
